

Newtown Linford Primary School

Fortnightly Bulletin - 24th April 2026

Welcome back everyone to the summer term! We hope you had a nice break and are ready for an exciting and busy term ahead. Summer is always an action-packed one with plenty to fit in, and there is so much to look forward to, including transition activities, the Old John play, trips for all year groups, Sports Day, leavers' events and lots of other fun and memorable experiences.

We're delighted to have quick sticks hockey and Target Archery next week in sport, and pupils from Tyburn will be heading out to the Botanical Gardens to support their learning on plants and animals. As we begin to welcome our new starters and prepare our Year 6 pupils for what lies ahead, it promises to be a positive, enjoyable, and exciting term for everyone.

Bradgate Education Partnership Awards

The Trust Awards are an exciting opportunity to celebrate the achievements of children across our family of schools. We are proud to share that staff at Newtown Linford have nominated four families for this year's awards, all of whom should have received, or will shortly be receiving, their invitations.

We are also delighted to have artwork from our school displayed in the gallery as part of the celebrations. A big well done to our wonderful artists, one from each class, whose creativity and talent are being showcased. We are incredibly proud of everyone involved.

Curriculum enrichment

As the summer term begins we have plenty to look forward to. It is Linford's turn to have Forest School at Bradgate Park (weekly sessions until 15th May). Year 1 and Year 2 have started their Relax Kids sessions where they learn about well being.

There are also trips planned - Linford and Bradgate will be visiting Conkers and Tyburn will be going to the Botanic Gardens. After SATS, Year 6 will be kept busy with Bikeability sessions and a trip to Warning Zone alongside other activities to prepare them for Year 7.

Details for all trips and events in the second half of term will follow in due course!

Sport

We have a fantastic range of sporting opportunities coming up over the next term, giving pupils across the school the chance to try new activities, develop their skills and take part in competitions and

development events. Children in Year 3/4 will enjoy in-school Target Archery as well as opportunities to take part in tennis. Year 5/6 pupils have a busy schedule, with a hockey development event, cricket, athletics, and rounders all planned. Bradgate are also catered for, with Year 2 multi-sports providing an introduction to competitive sport.
