

# Newtown Linford Primary School

## Fortnightly Bulletin - 12th June 2026

Dear Parents and Carers,

It's been great to welcome the children back after half term. We have entered my favourite part of the school year. It's a time of change with transitions for our Year 6 children and class swaps for others, whilst we start to welcome in our new starters for next academic year with events such as our teddy bears picnic. There are lots of opportunities to come together with Sports Day, the Year 6 production, the leavers event and assembly. We also have lots of sport for the children with area athletics, rounders and tennis. Finally, there are trips with Linford and Bradgate visiting Conkers and Old John learning about safety at Warning Zone.

Mr Chapple

### School Values

*Individuality  
Excellence  
Adventures*

This terms focus is –  
**Adventures**

### School improvements

We are really pleased with the work that has been carried out on the pitch. The children have been extremely excited and already enjoying the new surface. If you haven't had the chance, take a look.

### Colour Dash

What a wonderful time the children had at the Colour Dash. A big thank you to the parents who came to help out on the day. It was an afternoon of fun and laughter, all in aid of a great charity.

### Sport

We have been really proud with how we have developed sport this year. So, it was great to be recognised for

this with the School Games Gold Award 2025/26. This demonstrates the school's commitment to providing sporting opportunities for the children to try new sports and represent the school. We look forward to a few more events to finish the year: area athletics, rounders and tennis. On Sunday 7th June, we took over the Junior Parkrun at Watermead Country Park. It was wonderful to see so many children. Many of whom I know will be back.

### BEP Awards

A big well done to Florence, Henry, Maddison and Theo who were recognised at the BEP Awards. It was fantastic to join our family of schools and celebrate the achievements and contributions of the children.

### Road Safety

Children from across the school took part in road safety workshops this week. It was a good opportunity to remind the children about how to stay safe on the roads with: stop, look, listen, think and hold hands.
