Bullying can happen anywhere, like online, at school or at home. It can happen to anyone. But nobody has the right to hurt you or make you feel bad. Tell an adult if you feel this way.

What is bullying?

It means to have any of these things happen to you again and again...

- Being called names
- Being teased or humiliated
- Being hit, kicked or hurt
- Having rumours spread about you
 - Being ignored or left out
 - Being threatened
- Having your things taken or broken
- Being bullied through your phone or online

Strategies for Children

People

What to do if you think you are being bullied...

BULLYING

- Tell an adult that you trust; a teacher, a parent, a relative or a friend
- Say 'Stop' and move away from the bully
 - Avoid being near the bully
- For cyber bullying, block the bully, take a screen shot and show this to an adult
 - Stop, block, tell!

Children who are bullying will be spoken to by an adult in school and parents will be informed.

Action will be taken.

Think carefully about the effect on others.
