Pupil sickness absence/corona related symptoms

Member of pupil's family reporting symptoms within the household

Advice & Guidance

- Ensure that your reporting procedures for families to report and discuss sickness absence are clear
- Where a pupil is isolating, remote learning, including online live tuition & feedback should be provided throughout
- Where a pupil is isolated following a positive test Head Teachers should provide remote as soon as the pupil is well-enough to engage with their learning
- Any individual circumstances that arise not covered by the above flow charts, please do feel free to discuss with the Central Team
- -Charts amended to say 10 to 14 days, advice from PHE helpline will be needed to confirm
- -Where a member of household contacted by track and trace, no other member of family needs to self-isolate unless someone become symptomatic or tests positive
- Use NHS guidance where available. Checking coronavirus symptoms in children:
