

Newtown Linford Primary School

Sports Funding 2020-21

The sports funding is additional funding for publicly funded schools in England to improve the quality and breadth of PE and Sport provision. Schools are free to determine how best to use this funding to increase participation in PE and Sport so that all pupils can develop healthy lifestyles and reach the performance levels they are capable of.

For the academic year 2019-2020 Newtown Linford Primary School will be allocated £17,110.

Resource	Amount	Objective	Success Criteria	Mid-year Review and actions	End of academic year review	Impact and actions required
Leadership and Sustainability						
Subject Leadership	£500	<p>To ensure provision and participation is accurately monitored and all children receive excellent PE and Sports provision.</p> <p>To identify school strengths and areas for development accurately to ensure excellent teaching is sustainable in the future.</p>	<p>All children have participated in an inter or intra sports competition throughout the academic year.</p> <p>Strengths and training needs are identified for future planning.</p> <p>To observe teaching to ensure children are receiving high quality teaching and coaching.</p>	Funding will be used to ensure subject leader can attend CPD/INSET training in the summer term related to Real PE.	Subject lead attended Real PE training.	<p>Subject lead trained in Real PE alongside all other staff.</p> <p>Next academic year will attend training specifically for subject leads.</p>

Specialist sports coach	£1000	Staff have the opportunity to observe specialist coaches in school to develop their ability to deliver or support the curriculum effectively. Children taught by specialist coaches.	NQT to observe specialist coaches. Teaching assistants support games teaching under a specialist coach.	NQT has observed sports coach. Additional sports sessions led by coaches delivered throughout the academic year.		
Real PE Curriculum and Real Gym	£2290	To ensure children receive a high quality PE curriculum that develops a wide range of skills.	A whole school curriculum to deliver PE across the school, focused on a unique and child-centred approach.	Purchased. CPD session organised for Summer 1.	All staff have received INSET training on the Real PE curriculum. Staff have begun to deliver this in the summer term.	All staff either already or ready to deliver Real PE from Autumn 2021.
	£300	Supply costs to ensure all new teachers receive INSET training.	Whole school training INSET.			
Enhanced Physical Education Provision

		interacting with the natural environment. To encourage children to lead active lifestyles.	outside of the classroom. Children manage risk successfully and become more independent in doing so.			
Specialised Support						
Physical Literacy	£900	To develop children's gross motor control where there are identified weaknesses.	All children have access to resources that will support the development of their gross motor control where this is identified as a weakness.	In place in Autumn term. Assessments will be completed to assess progress.	Over a six week period all KS1 children were assessed using activities to look at physical development. These areas were balance, coordination, ability and strength. Each area was completed through a different activity and the children were given three opportunities to complete each physical activity task with the outcome	Once this six week physical programme was over, they were then reassessed on the physical activities that were completed in the first six week block, to see if any improvement was made. Out of the eight children, six of them had made significant progress and achieved more 'yes' than 'no' percentage on the physical assessment.

					<p>simply been a 'yes' or 'no'.</p> <p>After the six week assessment the children who recorded more 'no' than 'yes' would engage in a further six weeks physical development programme working on the areas for further development and then be re assessed.</p> <p>All evidence was recorded on a spreadsheet.</p> <p>Out of the total number of children in KS1 at Newtown Linford, 13% needed further physical development and then to be re assessed after 6 weeks.</p> <p>In this six week block, the 13% (children) were split into small groups of 3-4 children and take part in 20 minutes</p>
