

# Newtown Linford Primary School

## 12th May Fortnightly Bulletin

Dear parents,

We love to watch how much our children grow across the year. We know they become taller but it is watching them grow in confidence that is the best thing. We have had children begin the year disliking fractions or worried about handwriting who love these now. Plus girl's football, wow!

*Mrs Proudman and Mrs Kennedy*

### School Values

*Individuality*

*Excellence*

*Adventures*

This terms focus is –

**Adventures**

### Learning Support Assistants

We just wanted to embarrass our LSA's by saying how fabulous they are. They care about the children so passionately and we repeatedly witness them going the extra mile for your children. When we ask children who they would confide in, the answer is nearly always an LSA. Finally, if we did not have them our school would not function!

### Sun hats and sun cream

As the weather gets warmer, please could you ensure that your child comes to school wearing sun cream and bring a hat as the children will be outside during lunchtime.

### Coffee and Cake

Once again our children impressed at coffee and cake. Bradgate class asked questions about seaside holidays in the past with confidence and politeness. Particular shout out to Matilda and Finn who demonstrated a maturity beyond their age. Old John's turn next...

### Year 6 SATs

SATs are complete and we have to say we think our children did superbly. Focused, calm and lots of smiles!

I have just been to the classroom to gather some quotes from the children—

*"All the staff were really helpful and supportive."*

*"It was a nice and unique experience."*

*"I want to do SATs everyday if we get biscuits."*

*"Exciting but glad it is over!"*

*"The feeling of community amongst the Year sixes."*

Mr Brierley

We are so proud, well done.

### King's Coronation

We had our red, white and blue day for coronation with some fun activities in the classroom too. Thank you to the PTA for organising the lovely bunting and gifts for the children.

### PTA Disco

Friday 26th May

After School 3.30—5.30pm

Village Hall

PTA and staff (with parental permission) will escort the children to the village hall.

Prices and more details to follow.

This will be a non-uniform day in school.

### Out of School Awards

A reminder that Wednesday 24th May will be an opportunity for children to bring in their out of school achievements. This can be certificates, photographs, medals or more.

The children are extremely proud to share their successes and these assemblies have been so long we have had to divide them into two parts in the past.

### Year 6 Transition

As we have not been able to run Relax Kids this term we have organised for a visitor who specialises in positive psychology to come and run some sessions with Year 6 on their transition to secondary school.

Even though we know many are excited we know they can't help but get some butterflies nearer the time. This will provide them with strategies to manage these and an opportunity to share any worries.
