Dear parents,

"Books are the plane and the train, and the road. They are the destination, and the journey. They are home." Anna Quindlen

One day your child may not want you to read to or with them so make the most of it whilst they do!

Gardening Club

Thanks to Mrs Patel and Mrs Toon for their work in getting the gardening club up and running again now Spring is on its way. The children have been enjoying planting seeds and tidying up the grounds ready to get growing! Thank you to parents who have already donated bags of compost and we would be very grateful for any further donations to help with our planting.

Music tuition

We have some fantastic music teachers delivering lessons in school and there is currently availability for guitar/ukulele and drumming lessons. Please contact the teachers directly if you are interested— further details are available on the School website: www.newtown.bepschools.org/curriculum/extra-curricular-activities/

Our KS2 choir also welcomes new members. This year they have already performed at lots of events and will be singing at De Montfort Hall again in April. We also have an after school ocarina club (Monday), speak to the Office staff if this is of interest!
