

Newtown Linford Primary School

Fortnightly Bulletin 3rd May 2024

Dear parents,

Thank you so much to our fantastic PTA for all their money raising efforts. This money means our children can have adventures and opportunities they may not without. I heard the quiz was great and we were really disappointed we could not make it this time.

The colour run was so much fun! We hope this made a great memory for the children and for a great cause. *Mrs Proudman and Mrs Kennedy*

PTA Update

Thank you to everyone who attended our Village Quiz on Saturday 27th April and/or purchased raffle tickets. A great time was had by all and in total, a staggering £1,459.34 was raised, benefiting both the PTA and Falcon Support Services who have each received £729.67! This is an amazing amount and far exceeded our expectations. Your support is greatly appreciated.

Congratulations to school parent, Sam Alton, who led his team to quiz victory. Special thanks go to PTA members Hayley Alton and Charlotte Miller for all their hard work in organising the event and to Jacqui Marsh, Queen of Quiz, who entertained us for the evening with 6 rounds of solid brain teasers.

New starters

It was National Offer Day on 16th April when parents were notified about the allocation of primary school reception places. We are pleased to say that we were oversubscribed again and all our reception places have been taken up for the 2024 intake.

We look forward to welcoming new families to our School community, as well as younger siblings of some of the children already at our School.

Uniform

A reminder that we have a School Uniform Policy and expect pupils to follow this. Please see this on our webpages or ask for a copy at the office.

We would be particularly grateful for your support in ensuring that earrings are removed or taped before School on PE days, long hair is tied up and smart watches and phones are left at home or handed into the office in the morning.

Massed Choir at De Montfort Hall

The KS2 choir had another triumphant performance last week, this time at De Montfort Hall. They sang as part of a choir of around 670 young people from schools around Leicestershire, finishing with a rendition of Walking on Sunshine. The team from Leics Sings who organise these events said they had had so much amazing feedback from the audience and the choir members were great ambassadors for our school, as always.

Thanks to Ms Burns (now Mrs Willson—congratulations!) for leading our choir and to the School staff who make these opportunities possible for our pupils.
