

Newtown Linford Primary School

Fortnightly Bulletin 8th November 2024

Dear parents,

Last week we had visitors from Bradgate Education Partnership in to see our progress as a school and speak with children. There was some fantastic feedback on our new curriculum, children's behaviour and the quality of teaching. We have some points to work on but these all reflected in targets we had already set ourselves as a school, which was lovely to hear. Well done all!

Mrs Kennedy

School Values

*Individuality
Excellence
Adventures*

This terms focus is –
Excellence

The **School Fete** will be part of the Newtown Linford Village Christmas Event on 5th December. More details to follow! Children can wear non-uniform on Friday 29th November in exchange for chocolate donations for the PTA's Chocolate Tombola.

The children had lots of fun with the **PTA Pumpkin Carving Competition** last week. Well done to everyone who entered and congratulations to the winners!

Don't forget about the
**Cheese and Wine
evening** next Tuesday!

We look forward to
seeing lots of you there
and to talking to you about our
curriculum and plans for the year.

Children in Need is on Friday 15th.
Children can wear non-uniform in ex-
change for an optional donation of £1.
Please donate via our Just Giving page

school-1728554393050](https://www.justgiving.com/page/newtown-linford-primary-school-1728554393050)

We cannot accept cash in
school.

Please remember that, in
line with our published
Attendance Policy, children
should arrive at school
ready for the opening of
classroom doors at 8.40am.

Our registers close at 9.10am.
Any child arriving after this time
will receive an unauthorised
absence mark.

We will be marking Remembrance Day at
11am on Monday. Children can wear
brownie/cub/service uniforms to school
on that day.

Don't forget about our **TT Rockstars and Numberblocks day** on Thursday 14th!
Children are invited to dress up as a rock star (years 2-6) or numberblock (EYFS and year 1). During the day we will be using both platforms and taking part in fun activities and competitions. We hope this will motivate our children to practise their number facts regularly at home, helping them to become confident mathematicians.
