

# Newtown Linford Primary School

## Fortnightly Bulletin - 6th March 2026

The first signs of spring are finally here, and it's wonderful to see the mornings and evenings growing lighter. The children have certainly returned from the half term break with renewed energy, and we've had a very positive start.

Our Year 6 pupils have started their mock SATs. Their effort and attitude so far have been outstanding.

We celebrated fantastic success at the recent cross country event, where our pupils represented the school brilliantly. Their teamwork, resilience, and enthusiasm shone through. World Book Day was highlight of this week. It was a joy to see the children celebrating everything reading: sharing stories, talking about their favourite books, and showing real excitement for our Masked Reader competition.

### World Book Day

World Book Day was a wonderful celebration of reading for all. It was great to see so many creative costumes on the day. The children looked brilliant. In school, the children spent their mornings learning about their class books and really immersing themselves in them.

In the afternoon, the teachers swapped classes and read a book. There has also been a real buzz around school for the Masked Reader. We can't wait to reveal who is behind each character.

### Linking in Project

Tyburn continue to work in collaboration with Krishna Avanti Primary School in Leicester. This week they have looked at random acts of kindness and built their kindness tree. We look forward to continuing our work with them.

### Sport

It was the cross country county finals on Saturday 28th February. We had a very successful morning with team golds for Year 3 girls, Year 4 boys and Year 5

girls. We also claimed an individual bronze medal in the Year 3 girls race. A big well done to all!

All Saints Church in Newtown Linford, are holding a service on March 15th at 10am for **Mothering Sunday**. Parents and children of the school are welcome to attend the service.
